

Deadline and start date extension

One (1) research assistant & one (1) post-doc positions in the project

RamanBC - Development of a Fibered Raman Combiner for Quantum Space Sensors

Funded under the European Space Agency – ESA (ESA Contract No. 4000143956/24/NL/FFi)

European Space Agency

Ref. 161924

Heraklion 10/12/2024

The Institute of Electronic Structure and Laser of the Foundation for research and Technology Hellas (IESL-FORTH), in the framework of the project «Development of a Fibered Raman Combiner for Quantum Space Sensors», RamanBC, is seeking to recruit One (1) research assistant & one (1) post-doc positions for supporting the Space Optics laboratory.

Post-doc

We are looking for a PostDoc to take a leading role in our ESA projects in space optics. The ideal candidate should be able to work indecently as well as in a team.

Required qualifications

- PhD in Physics or a related subject or equivalent (15%)
- Experience in designing and implementing optical systems (20%)

Additional qualifications

- Computing Experience (15%)
- Experience in working in an international research group (10%)
- Fluent in English, both in written and all form (10%)

Interview (30%)

There should be a threshold score of 75%.

Research Assistant

We are looking for a Research Assistant to take an important role in our ESA projects in space optics. The ideal candidate should be able to work indecently as well as in a team.

Required qualifications

- B.Sc. Degree in Physics or a related subject, e.g. engineering. (15%)
- Experience in designing and implementing optical systems (20%)

Tel. +30 2810-391300-2
Fax +30 2810391305
Email: iesl@iesl.forth.gr

Additional qualifications

- Computing Experience (15%)
- Experience in working in an international research group (10%)
- Fluent in English, both in written and all form (10%)

Interview (30%)

There should be a threshold score of 75%.

Location: IESL-FORTH, Heraklion Crete GREECE

Start Date (earliest): 1st of March, 2025

Project Duration: 12 Months with possibility of extension according to the needs of the project

Application Submission

Interested candidates who meet the aforementioned requirements are kindly asked to submit their applications, no later than **January 31, 2025, 23:59 local Greece time** to the address (hr@iesl.forth.gr), with cc to the scientific coordinator, Dr Wolf von Klitzing (wvk@iesl.forth.gr).

In order to be considered, the application must include:

- Application Form (please download file from the job announcement webpage <https://www.iesl.forth.gr/en/jobs-bids/jobs/job-positions>)
- Detailed curriculum vitae (CV) of the candidate
- Scanned copies of academic titles
- Certificate for enrollment in a master's program

Any application received after the deadline will not be considered for the selection**Contact**

For information and questions regarding the application and selection procedure, candidates are asked to contact the secretariat (hr@iesl.forth.gr), tel. +30 2810-391314.

For information and questions about the advertised position and the research activity of the group or the institute, please contact the scientific coordinator Dr Wolf von Klitzing (wvk@iesl.forth.gr).

Selection Announcement

The result of the selection will be announced on the website of IESL-FORTH.

Candidates have the right to appeal the selection decision, by addressing their written objection to the IESL secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates' scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of IESL-FORTH in line with the Hellenic Data Protection Authority.

GDPR

FORTH is compliant with all legal procedures for the processing of personal data as defined by the **Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data**. FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law. FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the **Regulation EU/2016/679** and/or in national law. We inform you that under the Regulation EU/2016/679 you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws. We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr. You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
